Biomor™ Heavy-Duty Drain Maintainer

- Microbial-based formulation contains a proprietary blend containing bacterial spores designed specifically to digest grease, oils, fats and control odours
- Works in aerobic and anaerobic environments
- Provides long-term proactive deep cleaning which effectively removes grease build-up in drain lines, grease traps, lift stations, wet wells, sewers, lagoons, septic tanks, wastewater sumps, and sewage injection pits
- Ideal for restaurants, food processing plants, hotels, high rise apartment buildings and institutional facilities that operate drain lines and discharge lines leading to a central grease trap
- Colour: Blue
- Specific Gravity: 1 - 1.01
- pH: 7 - 9
