

Industrial & Contractor Series Concrete Compression Sprayer

- Viton® seals throughout the pump and shut-off
- Pump automatically releases pressures above 85 psi to prevent over-compression
- Chemical resistant rubber hose is reinforced with nylon for greater wear resistance
- One brass flat fan nozzle included for multiple flow rates
- Four-prong lock seals the pump tightly against an internal O-ring
- Large wide-mouthed opening is easy to fill
- Tank Material: Stainless Steel
- Hose Length: 50"
- Wand Length: 24"
- Wand Material: Brass
- Seal Type: Viton®

Model No.	Mfg. No.	Tank Capacity	Price /Each
N0275	190448	3.5 gal. (16 L)	

Concrete Compression Sprayer with Viton® Extreme™ Seals

- Viton® Extreme™ seals throughout the pump and shut-off for maximum resistance to water- and solvent-based chemicals, solvents, acetone, and oils
- Pressures up to 85 PSI allowing you to spray thicker, solvent-based chemicals with higher viscosities
- Push button pressure relief valve easily releases internal pressure before opening the canister
- Chemical resistant rubber hose is reinforced with nylon for greater wear resistance
- Four-prong lock seals the pump tightly against an internal O-ring
- Two brass flat fan nozzles included for multiple flow rates
- Tank Material: Stainless Steel
- Hose Length: 50"
- Wand Length: 24"
- Wand Material: Brass

Model No.	Mfg. No.	Tank Capacity	Price /Each
N0276	190468	3.5 gal. (16 L)	

Industrial & Contractor Series Acetone Compression Sprayer

- Brass wand and shut-off with EPDM® seals for acetone use
- Non-drip shut-off features and extended cable that shut the flow at the wand tip end
- Pressure relief valve releases at 60 psi to prevent over compression
- Brass #8 conical nozzle with versatility to change out to other nozzle configurations
- Tank Capacity: 2 gal. (9 L)
- Tank Material: Polyethylene
- Hose Length: 50"
- Wand Length: 18"
- Wand Material: Brass

N0322	182676	Pump Service Kit	

Industrial & Contractor Series Concrete Compression Sprayer

- Brass wand and shut-off have greater chemical resistance
- Features a high efficiency pump, a chemical resistant poly hose and a stability base with wand protection
- Pressure relief valve vents at 60 psi to prevent over compression
- Multiple fan nozzles for achieving optimal results
- Tank Capacity: 3 gal. (13.5 L)
- Tank Material: Polyethylene
- Hose Length: 50"
- Wand Length: 24"
- Wand Material: Brass
- Seal Type: Viton®

Industrial & Contractor Series Acetone Handheld Mister

- Featuring EPDM® seals for acetone chemical resistance
- Integrated graduated fill marks
- Ergonomic handle design for maximum comfort
- Pressure release valve allows you to safely remove internal pressure prior to opening the sprayer
- Brass #8 conical nozzle with versatility to change out to other nozzle configurations

Model No.	Mfg. No.	Tank Capacity	Price /Each
N0280	190398	50 oz. (1.5L)	

Industrial & Contractor Handheld Acid Sprayer

- Equipped with Viton® F seals, designed to spray acid or water based chemicals
- Features an adjustable conical nozzle, but also accepts TeeJet® nozzles
- Glass weighted flexible dip tube ensures positive spraying at any angle
- Pressure relief valve for ultimate safety

Model No.	Mfg. No.	Tank Capacity	Price /Each
N0282	190511	50 oz. (1.5L)	

Industrial & Contractor Series Acid Compression Sprayer

- Poly wand and shut-off with high-grade alloy springs and washers for corrosion resistance
- Pump seals can be changed within minutes without tools, which equals less downtime
- Pressure relief valve for ultimate safety
- Includes: Poly adjustable nozzle, Medium volume flat fan, Low volume flat fan
- Tank Capacity: 2 gal. (9 L)
- Tank Material: Polyethylene
- Hose Length: 50" • Wand Length: 21"
- Seal Type: Viton® F
