

Manhole Guard Rails

- Simple one-piece construction offers easy, no-tools assembly
- Rail locks open and two hooking chains provide protected entry and exit
- Rail accommodates signs, flags or lights, and it can be used with guard rail tents, umbrellas or a winch
- Designed to protect an area 33" L x 33" W, this 42" high guard rail collapses to only 44" L x 44" W x 4" H for easy storage
- Strong, one-inch tubular 0.078 gauge steel construction is powder coated in safety yellow for a durable finish and for high visibility
- Weight: 34 lbs.

Model No.	Mfg. No.	Price /Each

Manhole Lid Lifters

- Toughest manhole covers are easy to move with this one-piece lifter
- Features a long all-steel handle that provides the leverage necessary to fit the heaviest manhole lids
- For safe storage, the alloy steel hook recesses and locks into the pole
- Rubber grips on the handle and foot prevent slips, and cadmium plating fights rust
- 42" long, 9 lbs.

BB194	9401-50	

Deluxe Work Tents

- Easy to use and very durable
- Feature quick set-up from the inside or outside, with the fiberglass rod frame
- Frames uniquely designed to not pull out or poke through the fabric
- A handy attached roll-up flap provides compact storage and easy transport
- One-door design with zipper closure, or two-door design with one zipper closure and one roll-up door
- Pitch roof style provides extra headroom, structural strength and repels snow and water
- Frame rods are bolted for increased stability and the unbreakable hinges are made of rolled steel
- Free-standing structural stability excellent in windy conditions
- Includes: Blower duct tube in the rear of the tent and a covered window
