Anti-Impact Glove Liners

Fingerless four-way stretch poly/cotton lycra glove makes an excellent liner for leather work gloves. Visco-elastic polymer (VEP) full palm padding absorbs and dissipates shock. Also available with split leather palm for abrasion resistance in applications where it will be used on its own. Ideal for general assembly and material handling applications.

Premium Impact & Repetitive Strain Protective Gloves

Fingerless glove provides excellent protection in applications where constant impact or vibration is a concern. Visco-elastic polymer (VEP) palm and thumb crotch padding absorbs and dissipates shock. Detachable leather wrist support for wrist repetitive strain protection. Nylon Lycra® with grain leather palm for abrasion resistance in applications where it will be used on its own. Ideal for heavy industrial use, jackhammer, grinding and impact tool applications.
