

Galvanized Eco Security Gate

- Constructed from 100% recycled, recyclable galvanized steel
- Secure outside access during the day and add security at night with heavy-duty, 16-gauge steel folding gates
- Galvanized steel U-channels riveted using aircraft-quality rivets for durability
- With double-folding gates, centre drop pin rests in your pre-drilled holes to secure gate when extended
- Durable 1-1/2" steel zinc-plated vertical angles welded to the frame, steel casters fully retractable when not in use
- Installation hardware and instructions included for easy install
- Non-toxic, corrosion-resistant finish
- 25% less steel usage than standard gates
