

TENAQUIP

INDUSTRIAL EQUIPMENT, SUPPLIES & SOLUTIONS

FOUNDED IN 1968 BY KEN REED

Ken had one vision for his life's passion: to take the customer's procurement experience to a higher level.

TENAQUIP has proudly served Canadian businesses with this model for 50 years offering state-of-the-art industrial and occupational health & safety products sourced from around the globe.

PROUDLY 100% CANADIAN OWNED AND OPERATED

TENAQUIP continues to be a 100% CANADIAN owned and operated organization. Our dedicated team of 300 associates are proud to work in and support the communities in which we live. It is this pride that drives our commitment to serve you, our customers.

Every day, TENAQUIP brings to you new and exciting products and services. We deliver innovation, excellence and quality in everything we offer.

QUALITY POLICY

TENAQUIP Limited, seller and distributor of industrial supplies, is committed to continuous improvement of our quality management system and satisfying the applicable requirements, thereby providing our customers exceptional service and quality products that meet or exceed their needs.

THIS UNIQUE APPROACH WAS ACHIEVED OVER THE YEARS WITH:

Comprehensive Buyers' Guide

Thousands of pages of state-of-the-art products sourced from around the globe.

Interactive Website

Be first to view limited time special offers, new products, regulatory seminars & more!
